Season 8 Episode 1 TIR RBR

Hello from TIRealm! Someday we'll find it, The Realm of Imagination. The Watchers, The Dreamers and Me.

Excerpt—Opening Sequence – I loved the new sequence! The graphics were great and going inside the castles was an awesome addition. We got to see the Last Hearth as a new location as well. The astrolabe was new and improved. We even got to see the breach in the wall and the ground turning to ice in the path through the wall. I wonder if they will change Kit's Sigil after this episode. Overall the opening sequence was a positive improvement.
